What to bring:

- You will need to use 022-419 as the confirmation code to begin your exam.
- Candidates are required to provide a means of photo identification before the Exam can be launched. Acceptable forms of photo ID include current, non-expired: passport, government-issued driver's license/permit, national ID card, state or province-issued ID card, or other form of government issued identification. Please also note that the presented ID must contain Western (English) characters. If acceptable proof of identification is not provided to the exam proctor prior to the exam, entry to the exam will be refused. Candidates who are refused entry due to lack of sufficient ID will not be eligible for a refund or rescheduling.

Cancellation and Refund Policy:

- If you should need to cancel or reschedule your exam, please use the cancellation options found at <https://www.examslocal.com/Candidate> or email us at examssupport@psionline.com or call +1-888-504-9178, +1-702-904-7342 for additional support.
- To receive a full refund you may cancel or reschedule the examination 24 hours prior to the scheduled time.
- If you do not cancel the exam within 24 hours of your scheduled appointment, you will be charged the full original fee and you will not be issued a refund. In addition your appointment will be marked as a "no show".
- Exams must be canceled or rescheduled 24 hours before the scheduled exam time. Failing to cancel or reschedule within this time period, will result in forfeiting exam fees, exam credits and/or your exam eligibility will be marked as redeemed.

Additional Exam Program Information:

- This exam has a recommended bandwidth of 20Mbps or higher. You must ensure your bandwidth is within the recommended range before starting the exam.

The exam is delivered on an environment that uses a 1600x900 screen resolution. Please ensure that your monitor's resolution is set to a size larger than 1600x900 before attempting to start the exam.

When you schedule an exam, it is extremely important that you accurately specify the region where you will take the exam. The location that is reflected in your PSI account will be used to determine the server closest to your area. Failure to provide an accurate location could potentially result in increased latency during your certification examination.
